However, no petition, resolution or ordinance initiating the submission of a public question, other than a legislative resolution initiating an amendment to the Constitution, may specify such submission at an election more than 15 months one year after the date on which it is filed or adopted, as the case may be. A petition, resolution or ordinance initiating a public question which specifies a particular election at which the question is to be submitted shall be so limited, and shall not be valid as to any other election, other than an emergency referendum ordered pursuant to Section 2A-1.4.

(e) If a petition initiating a public question does not specify a regularly scheduled election, the public question shall be submitted to referendum at the next regular election occurring not less than 78 days after the filing of the petition, or not less than 108 days after the filing of a petition for referendum to create a political subdivision. If a resolution or ordinance initiating a public question does not specify a regularly scheduled election, the public question shall be submitted to referendum at the next regular election occurring not less than 65 days after the adoption of the resolution or ordinance.

(f) In the case of back door referenda, any limitations in another statute authorizing such a referendum which restrict the time in which the initiating petition may be validly filed shall apply to such petition, in addition to the filing deadlines specified in this Section for submission at a particular election. In the case of any back door referendum, the publication of the ordinance or resolution of the political subdivision shall include a notice of (1) the specific number of voters required to sign a petition requesting that a public question be submitted to the voters of the subdivision; (2) the time within which the petition must be filed; and (3) the date of the prospective referendum. The secretary or clerk of the political subdivision shall provide a petition form to any individual requesting one. As used herein, a "back door referendum" is the submission of a public question to the voters of a political subdivision, initiated by a petition of voters or residents of such political subdivision, to determine whether an action by the governing body of such subdivision shall be adopted or rejected.

(g) A petition for the incorporation or formation of a new political subdivision whose officers are to be elected rather than appointed must have attached to it an affidavit attesting that at least 108 days and no more than 138 days prior to such election notice of intention to file such petition was published in a newspaper published within the proposed political subdivision, or if

*The officers of the new.....will be elected on the same day as the referendum. Candidates for the governing board of the new.....may file nominating petitions with the officer named above until.....

The territory proposed to comprise the new.....is described as follows:

(signature).....

Name and address of person or persons proposing the new political subdivision.

* Where applicable.

Failure to file such affidavit, or failure to publish the required notice with the correct information contained therein shall render the petition, and any referendum held pursuant to such petition, null and void.

Notwithstanding the foregoing provisions of this subsection (g) or any other provisions of this Code, the publication of notice and affidavit requirements of this subsection (g) shall not apply to any petition filed under Article 7, 7A, 11A, 11B, or 11D of the School Code nor to any referendum held pursuant to any such petition, and neither any petition filed under any of those Articles nor any referendum held pursuant to any such petition shall be rendered null and void because of the failure to file an affidavit or publish a notice with respect to the petition or referendum as required under this subsection (g) for petitions that are not filed under any of those Articles of the School Code.

(c) in the case of a certification from a circuit court clerk of a court order, to such court, which shall thereupon give notice as provided in subparagraph (a) and shall modify its order in accordance with the provisions of this Act.

If the petition, resolution or ordinance initiating such prohibited public question did not specify a particular election for its submission, the officer or board responsible for certifying the question to the election authorities shall certify or recertify the question, in the manner required herein, for submission on the ballot at the next regular election no more than 15 months ~~one-year~~ subsequent to the filing of the initiating petition or the adoption of the initiating resolution or ordinance and at which the public question may be submitted, and the appropriate election authorities shall submit the question at such election, unless the public question is ordered submitted as an emergency referendum pursuant to Section 2A-1.4 or is withdrawn as may be provided by law.
